ABDULAZIZ ALATAWI

PROFILE

Cybersecurity Trainer, Penetration Tester, and Web Developer with strong technical and leadership capabilities. Skilled in securing digital environments, delivering cybersecurity training, and conducting penetration testing engagements. Proven ability to improve system security, enhance learning outcomes, and collaborate effectively with teams and stakeholders.

EXPERIENCE

Cyber Security Trainer - Ministry of Social Development

Sharifa Al Awadhi Youth & Children Club | Sep 2023 – Mar 2024

- Delivered cybersecurity sessions to students
- Troubleshoot technical issues for students
- Prepared training materials and exercises
- Collected and analyzed student feedback

EDUCATION

Bachelor of Cyber Security

Bahrain Polytechnic
Sep 2023 – Expected Jun 2028

PROJECTS

PaintPal – Responsive Website

Bahrain | May 2025

Developed a fully responsive web platform for PaintPal, a modular hobby system for miniature painters. Ensured seamless adaptation across computers, tablets, and mobile devices with user-friendly UI.

COURSES & ACHIEVEMENTS

Cyber Security Safety & Online Awareness

Completed certified cybersecurity awareness training.

3rd Place – Bahrain National CTF

Demonstrated strong ethical hacking and problem-solving skills.

Top 3 – TryHackMe Bahrain Leaderboard

Proven hands-on penetration testing capability.
